DELEGATE CONTEST.

There seems to be some doubt among the politicians as to who will be the strongest and best man to represent the republican party from this city in the next national convention.

The BEE has printed a list of the gentlemen who have been mentioned as candidates, and as an inducement to make this contest interesting, the BEE will present a fine gold headed cane to the candidate who receives the highest number of coupons. The coupons will be received and counted by the contest editor, and all coupons will be kept and counted in the presence of a committee to consist of one friend from each candidate.

Each coupon will count one vote, which must be sent to the contest-editor of the BEE.

THE PEOPLE'S CHOICE.

WHO WILL THE NEXT DELEGATES BE? VOTE FOR YOUR CHOICE.

The coming Republican contest for delegates to the next National Republican Convention will be a hot one. Public meetings have been held throughout the city, and it is still undecided who the most popular man is. As a test of each man's strength the BEE will publish the list of the probable candidates, with a coupon attached, which will enable friends of each candidate to vote for his choice.

Wants waiters all over the country to know what a good thing MEXICAN

MUSTANG LINIMENT

is, and to give it a trial. Gets scalded with hot soups, etc., and burned from handling hot dishes.

MR. W. R. PENDER. GOLDSBORO, N. C., Feb. 6, 1893.

Lyon Manufacturing Co., Brooklyn, N. Y.  
Gentlemen—I am a waiter in Hotel Kennon, Goldsboro, and sometimes get scalded with hot soup or coffee, and burned from handling hot dishes and such things. I always use Mexican Mustang Liniment for the burns or scalds and it is only a day or two before they are all healed up. I have, also, great faith in it for such things as cuts and strains. I thought this might do some one a little good, and I wish to let all my friends know what a good remedy this liniment is. The waiters in this hotel know all about Mustang Liniment for I always recommend it to them, but I want the waiters all over the country to see this and give this liniment a trial if they ever have a burn or scald, or any little thing that is apt to happen to them around the kitchen.  
I am, your friend,  
W. R. PENDER.
